

In partnership with DistrictWON, Crystal Clinic Orthopaedic Center, a nationally renowned health care provider for orthopaedic, musculoskeletal and reconstructive care, desires to support your school with a sponsorship for the Spring & Fall 2020 and Winter 2020-21 athletic seasons. We are hoping you will consider.

What will your school receive from this sponsorship?

- The school will receive **\$1,850**.

What my school needs to do to fulfill the sponsorship: This is a basic campaign consisting of signs and PA announcements for your Spring & Fall 2020 seasons and Winter 2020-21 season (details below):

Spring 2020, Fall 2020 Winter 2020-21 (same requirements in each season)

- Spring & Fall - Field level signs – Two (2) signs, double-sided, approximately 3’ x 8’ placed at the school’s primary outdoor Spring & Fall facilities for **all** events (at most schools, this is the Track & Field facility in the Spring and Football facility in the Fall).
- Banner – One (1) sign, 4’ x 8’ placed at the school’s primary gymnasium for **all** events
 - DistrictWON provides all signs. The Spring & Fall are very easy to set up (directly out of the box, no assembly), they look professional, and can be left outside for the duration of each season (they are weatherproof, and we will replace if they get damaged). We have created a brand new banner for the Winter, which can simply be pressed onto the wall as it comes with an attached adhesive. It also comes with grommets if you prefer to display via that method. These signs will not wrinkle, and they look much better than the old vinyl banners.
 - The required placement of these signs is shown below for all seasons. If you cannot accommodate the required placement, please let us know. We will most likely approve an alternate location but simply need to have the proper information.
- PA announcements –Spring, Fall and Winter events that have an announcer present, Crystal Clinic to receive 2 PA announcements per event. We will provide the script, approximately :10-:15.

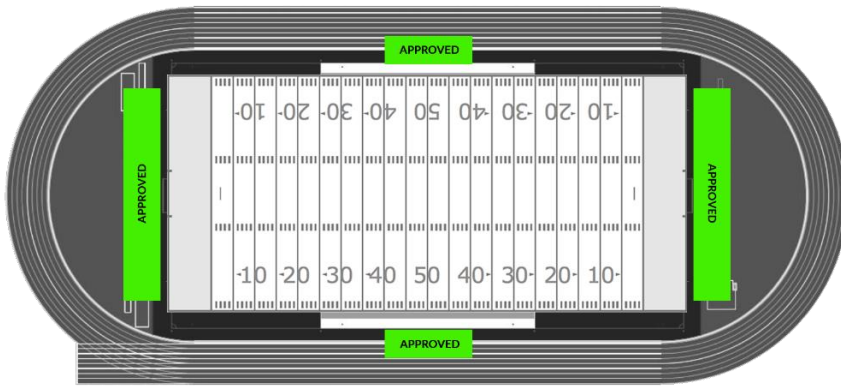

Partnership Note:

DistrictWON’s mission is to enable mutually beneficial partnerships between schools and companies that desire to be involved and support them. It is our goal to bring your school as much support as possible. In that regard, we hope to develop a partnership with your school built on trust and integrity. We rely 100% upon each school to operate the sponsorship as delineated above, and we sincerely appreciate your efforts! We submit funds **immediately** to each school upon getting paid by the sponsor and receiving proper compliance from you. These companies are deciding to help schools (among many other options) and will be much more prone to doing it into the future if their sponsorship looks great and operates properly. Thank you in advance for helping to make that happen!

- Upon setting up the signs, please send photos via email to schools@districtwon.com or text message to (216) 245-3311. The easiest time to do this is when you set them up. Please take a close-up photo and one that shows the sign within the facility for perspective; this is very easy to do with your smart phone!
